(it works both ways for me) You will be able to wear equipments that require higher honor ranking and acquire the stats that they give (note: to be able to acquire the stats of the item, drop them, pick them up, then equip - Yes! the item stats will take effect even though your actual/true honor rank do not meet the requirement) once you hack honor points and honor ranking, you may try to initialize PoH quests with port lux officer and you will see that PoH quest will correspond to your hacked honor rank, however the game will crash if you try to start the hacked PoH quest. 01/27/2009, 15:59 #23 elite*gold: 0 Join Date: Jan 2008 Posts: 174 Received Thanks: 21 is this still working on PH? whenever i try to wear them, i get d'ced...i know for a fact that its still being used in ph but im still working on a bypass..cabalbot is a bypass but it cant stay any more than 3 minutes and i need 5 hours or more...ive also tried that drop-pick-equip technique but i still get d'ced...and if i do have the accessories that ive met the req. - were you able to equip higher quality accessories and get their stats?
